CONSENT ORDER

By Amended Order of February 10, 2012, the Parties were ordered to mediation no later than April 2, 2012. On March 26, 2012 the Parties mediated before the Hon. Stanley Burch the issue of whether an acceptable parking arrangement could be agreed upon to allow Plaintiff's requested expansion and modification of the basement for church use.

While it appears that no agreement was finalized in mediation, the Parties agreed to consideration of a revised parking arrangement on the Subject Property. Should a revised parking arrangement be acceptable to the City, Plaintiff seeks modification of existing zoning conditions which would further require public notice at least 15 days in advance of a new public hearing. Absent such notice and public hearing, the existing conditions of zoning may not be modified.

The Court previously established a deadline of June 15, 2012 for submission of a Proposed Consolidated Pre-Trial Order in this case by its Order of March 9, 2012. While that deadline had been previously extended, review of the proposed site plan took longer than anticipated. That review has now been completed and the public hearing on the revised plan has been noticed and is scheduled for June 19, 2012. One final extension of the deadline for filing the Pre-Trial Order will permit the Parties to conclude their settlement efforts by holding the public hearing.

Accordingly, IT IS HEREBY ORDERED that the deadline for submission of a Proposed Consolidated Pre-Trial Order in the above style case is hereby extended until June 30, 2012 to facilitate the continuation of settlement efforts and adoption of any changed conditions to zoning necessary to resolve this matter.

So Ordered, this 13th day of June, 2012.

Hon. Amy Totenberg, Judge
U.S. District Court,
Northern District of Georgia
